RE: DESIGN AND DEPLOYMENT OF KoBo TOOLKIT TRAINING

The Taita Taveta County Department of Health, in collaboration with the Stawisha Pwani Program, will conduct a training on the design and deployment of KoBoToolbox digital data collection tools.

You are hereby requested to release the officers listed below from your respective facilities to attend this training.

Dates: 30th–31st March 2026 **Time**:8.30AM
Venue: Two Oceans Hotel, Voi

Participants will be reimbursed transport fares for the two days based on distance covered.

In preparation for the training:

- Teams from hospitals and rural health facilities (with support from Sub-County teams) are required to develop a **client exit interview questionnaire** prior to the training.
- All participants must come with a **laptop and/or smartphone** for practical sessions.

This training is aimed at strengthening digital data collection, program monitoring, and evidence-based decision-making across the county.

Kindly ensure that the listed officers are released to0 avail themselves for the training as scheduled.
